

CITY OF HAYWARD STAFF REPORT

AGENDA DATE 12/17/03

AGENDA ITEM 1

TO: 238 Working Group

FROM: City Manager

SUBJECT: HAPA Proposal

As previously noted, Sherman Lewis indicated HAPA has developed a proposal for the corridor it would like considered and evaluated. According to Mr. Lewis, this is a variation to the project presently under review. As decided by a majority of the Working Group at the last meeting, this agenda item is to provide one hour to enable Mr. Lewis to present in more detail HAPA's proposal. Attached are additional documents submitted by Mr. Lewis in preparation for that discussion.
